Antioch Churches Plan Special Services For Christmas And Sunday

True Meaning of Holiday to Be Emphasized in All Services

Placing Christ in Christmas will be the central thought of Antioch churches as they prepare for the observation of the birthday anniversary of the spiritual King.

St. Peter's Catholic church will start its Christmas program with solemn high mass at midnight preceded by a program of Christmas carols on Christmas eve. There will be other masses at 8, 9, 10 and 11 a. m. Christmas Day.

The musical program will be sung by the parish choir under the direction of Mrs. A. J. McGreal.

Members of the choir are soprano—Jill and Gail O'Haver, Mary Jean Thompson, Marlene and Patricia Freund, Patricia Haydon, Florence Eckert, Irene Rogers, altos—Florence Yancey, Margaret Solar, Jeannette Pachay, Evelyn Biegalski, and Rose Ann McGreal; tenors—Rose Masopust, Lillian Quilly, Ann Cranley, Irene Griffin, Estelle Felder; and bass—Ed Cranley, Paul Petak, and Peter Freund.

There will be confessions from 3 to 5:30 and 7 to 9 p. m. Thursday, which is a fast and complete abstinence day, the Rev. Alfred J. Henderson announced.

Methodist Candlelight Service
The Methodist church will have a Christmas eve Candlelight service at 11 p. m. Thursday. The 11 a. m. service Sunday will bear a Christmas theme. The church school Christmas pageant will be at 7:00 p. m. Sunday, and the church school Christmas party at 7:30 p. m. Tuesday.

St. Ignatius' Episcopal Church
The Rev. Dargan Butt of Seabury Western Seminary is serving as supply priest for St. Ignatius' Episcopal church and he will conduct the Christmas eve service at 11 p. m. with a 9 a. m. service next day for those unable to attend the night service.

The Christmas program for the children of St. Ignatius' Sunday School will be held at 7 p. m. Sunday. Parents are invited to attend.

Grass Lake School Asks Tax Increase In 4th Referendum

A referendum has been called for the Grass Lake District Grade school seeking an increase in the educational tax from 40 to 61 cents on the \$100 assessed valuation in a desperate attempt to keep the school in operation.

It is the fourth time the board of education has asked the voters to give them more revenue to keep the school operating without a deficit. Now the school has gone to the limit of its borrowing capacity, and President Henry R. Stott said that when the next taxes are received all of it will go to pay indebtedness.

The school has an enrollment that fluctuates over and under 100 but averages about that number. Two years ago the board tried to operate with three teachers, but the classes were so unbalanced that it placed an overburden on one or two and they refused to renew the contract this year unless a fourth were hired.

This year there is a teacher for the first and second grades, another for the third, fourth and fifth, and a fifth who was ungraded when they came out from Chicago; a third for the fifth and sixth and a fourth for the seventh and eighth. Clerk Roy W. Frasier said that the salaries of the teachers are below those elsewhere and the present teachers are sacrificing what they could get elsewhere to remain loyal to the school in their home community.

"This cannot exist much longer," he said.

The needs were explained this week to parents of the children who were told that it is essential that the referendum pass this time.

The school is operated in two buildings and a corridor of the new one is used as a classroom.

Breaks Hip in Fall

Mrs. George Stumpf of near Little Silver Lake suffered a bad fracture of her left hip at noon Tuesday when she slipped and fell on the sidewalk of the alleyway between the Barnstable and Brogan stores and the State Bank of Antioch. She was taken to Victory Memorial hospital by the Antioch Rescue squad.

News to Be Early Next Two Weeks

Due to the Christmas and New Year holidays the next two issues of the Antioch News will be mailed one day earlier, (Wednesdays) in order that subscribers may have delivery of the paper on Thursday.

News items and advertisements should be brought in one day earlier.

Sequoias Beat Ela and Richmond; Will Meet Bensenville Tomorrow

After crushing Ela-Vernon High here Friday 72 to 53 and Richmond High there Tuesday night 50 to 33, Antioch High Sequoias will seek their seventh victory in eight starts tomorrow evening in a game here with Bensenville.

The Sequoias played one of their best games of the year in defeating the Ela Bears.

After trailing 12 to 16 at the end of the first quarter the Antioch boys settled down to the business of playing championship ball of which they are capable and turned in a 27-point second quarter to give them the lead which they never relinquished. The Sequoias led at the half 38-26, at the third quarter 58-15 and the end 72-53.

Coach Dick Scott considered the defensive work of Fred Clarke and his ability to get the rebounds as outstanding. He also tallied 11 points. It was a big evening for Mike Haviland who not only made 11 field goals and seven free throws for a total of 29 points, but held Ela's Jim Hilbun to two field goals.

Warren Brownlee also chalked up 18 points, Larry Lass 9, and Ben Floyd 4.

"It was all-round good team work," Coach Scott said.

Chaffun was high point man for the Bears with 15 points on five field goals and five fouls.

The Junior Varsity lost to the Ela-Vernon underclassmen, 42-48, but the Antioch freshmen got revenge for this defeat by winning from the Ela-Vernon freshmen Monday afternoon 38 to 26 on the Antioch floor. Harry Evans led the winners with 11 points, and Jerry Huml scored 7 points. The freshmen have won three of their four games.

Antioch 50, Richmond 33

A good defensive game by the Sequoias provided them a victory over Richmond at Richmond Tuesday evening. Both teams were off on their shooting, especially in the first half.

Mike Haviland, top flight basket sniper for Antioch got three fouls in the first quarter and one in the second, that sent him to the bench early to serve as an ace in the hole (continued on page 10)

Mrs. Walsh Prevents Serious Fire Damage To Apartment House

Quick and effective work of Mrs. Elizabeth Walsh of 1912 Main st., in extinguishing a fire before it got much of a start, probably saved the four-apartment building in which she lives yesterday morning.

Mrs. Walsh, who lives in an upper apartment of the building owned by E. J. Brooks, smelled smoke shortly after her arrival home from the Antioch restaurant where she is employed nightly, and traced the smoke to a vacant apartment across the hall.

Persons who moved out of the apartment left the chimney without a stop, and sparks from it fell on the floor where decorators had placed papers for protection of the floor as they worked.

The paper was ablaze when Mrs. Walsh discovered it and after notifying the fire department, she calmly proceeded to put out the fire with a few pans of water.

Fire Chief Edgar Simonsen commended Mrs. Walsh for her procedure and the calmness with which she mastered the situation.

Home Decoration to Be Judged Dec. 28

Antioch home owners who wish to enter the home decoration contest sponsored by the Loyal Order of Moose should mail a postcard to D. F. Kennedy, Jr., before Dec. 20, according to information received today from the committee.

Judging will take place on Saturday, Dec. 26, and prizes will be awarded on the 27th.

Schools Plan Programs Observing Christmas Before Vacation Friday

Recess Until January 4 Is Declared for Teachers and Pupils

Antioch schools will observe Christmas with special programs Friday before the pupils and teachers start on their two-week vacation ending Monday, Jan. 4.

Through use of the new auditorium the Antioch Township High school will be able to produce an unusually fine program at 1:20 p. m. Friday for the whole school.

The Antioch Grade school will have its program provided by the first, second and third grades and the grade school band. The Parent-Teacher association will hold a brief business meeting and then adjourn to witness the program by the pupils. The event is public.

St. Peter's school children will be treated to movies Friday forenoon and in the afternoon will receive a visit from Santa Claus who will have treats for all. Singing of Christmas carols will precede the adjournment for the holiday vacation lasting until Monday, Jan. 4.

High School Program

The special program presented for the student body at the Antioch Township High school on Friday afternoon by the student council and the music department will be as follows:

Pledge of Allegiance; Student Body Joy to the World

Chorus and Student Body

Prayer Rev. Plummer

Silver Bells Girls' Trio

Silent Night

Chorus and Student Body

Treats and Santa Claus.

A group of students from the council and student body met at the home of Mrs. Tulumello, the council sponsor, on Monday evening where they sacked approximately five hundred sacks of candy.

Nine council members have been meeting regularly each evening to prepare the Christmas play. Members of the music department are also devoting much time to the preparation of special musical numbers.

The play is under the direction of Mrs. Tulumello; the music under Mr. Louis Chenette.

A real spirit of Christmas prevails in the halls, office, and many classrooms. Four Christmas trees were purchased and decorated by the members of the council; they were placed in the office, on the stage, and in the halls.

Lake Villa Teen Town Opens With Christmas Party Next Tuesday

Lake Villa Teen Town will open Tuesday, Dec. 22, at 8 o'clock in the Lake Villa school with an informal Christmas party. This party will open the recreational activities of this group and is to be an open house for all teen-agers in this area. All parents or other adults interested in this project are also invited to drop in to visit.

Teen Town is located in the basement recreation room of the Lake Villa Grade school. The west entrance of the building will be used. Organization for Teen Town has been completed with Quin Belke as mayor, Frank Ferdon as vice-mayor, Carlene Ekdahl as secretary, and Warren Brown as treasurer. The following will serve as council members: Norman Peterson, David Herbert, Kathy Coyne, Jay Cribb, and Pat Gallagher. Dr. C. P. Midgley, Mrs. Ed Belke, Mr. Kraus, Mrs. Carl Ekdahl, and Don Summers were selected as adult advisers.

The group is very appreciative of the help received in the community. The school board granted the use of the room in the school. A juke box, coat rack, and coke cooler have been donated, as well as card tables, chairs, records, ping-pong sets and card and table games. Money gifts were accepted and will be used to supplement the equipment. There is still a need for ping-pong tables, card tables, straight chairs, shuffleboard equipment and dance records. Anyone wishing to donate these may contact one of the officers or council members.

One of the projects of Teen Town is well under way. About 50 teens are enrolled in a Saturday afternoon ballroom dancing class conducted by one of the Arthur Murray instructors. Instruction has been given for three weeks and the teens are already well versed in at least two steps of the fox-trot, rhumba, waltz and jitterbug. They even started to tango last week.

There is still room for a very few more students, so anyone interested may come to the Teen Town room at Lake Villa school at 3 p. m. Saturday, Dec. 19. This will be the last class before the holidays.

District Manager of N. F. I. B. Explains Group to Business Men

James Fred Mallas, Milwaukee, district manager for the National Federation of Independent Business, is spending a few days in Antioch making a report to members and explaining the organization to prospective members.

The NFIB has 500,000 members nationally, according to Mallas. The purpose of the organization he said is to keep local congressmen informed of their constituents' opinions.

Each month a ballot is sent to all members listing various issues about to come before congress. The members signify on the ballots which issues they are for or against and return the forms to their local district chairman who forwards them to the congressman.

Central High school will hold its annual Christmas concert, with the band and chorus. The concert will be held in the high school gymnasium Thursday evening, Dec. 17, at 8 o'clock.

Dr. Roy D. Williams, 78, of 800 N. Main st., a descendant of one of Antioch's first families, died at 12:05 a. m. Sunday at Victory Memorial hospital from a stroke suffered the previous Monday.

He was organizer of the health program in the Antioch public schools and his last hours of service to the community were in the physical examinations of grade school children.

He served the village many years as health officer and Antioch Township as a member of the library board since the day the library became a tax supported institution in 1929.

Born June 7, 1875, Roy D. Williams, M. D., was the son of the late Daniel A. and Hannah Addie Williams. His father, operator of a general store, was born in Bristol, Wis., and came to Antioch in 1854, marrying Miss Addie Rector, daughter of Henry Rector, who with R. B. Gage, Thomas Warner, Thomas G. Gage, William Fagher, and others settled in this community in 1837 and established the town of Antioch in 1850. Mr. Williams' father served as town clerk.

Dr. Williams received his early education in the Antioch Grade school and Northwestern Academy. He was graduated from Northwestern University with a doctor of philosophy degree in 1896, after completing his liberal arts courses. He thereafter received his doctor of medicine degree from Northwestern University in 1900.

He held membership in Phi Rho Sigma, medical fraternity, at Northwestern University, and was the sole surviving founder and charter member of Beta Pi Dynamo chapter of Delta Tau Delta fraternity.

Dr. Williams was a practicing physician in Dexter, Kan. for 19 years. He then came back to the community he liked best in 1921 and here finished 53 years of medical practice.

He actively engaged in his profession until he was taken to the hospital.

Dr. Williams was a member of the Antioch Methodist church and Sequoit lodge No. 827, A. F. and A. M.

Surviving are the widow, Frances E., a son, Daniel A. Williams of Des Moines, Ia., a daughter Miss Betty Lu Williams, Antioch, a sister, Mrs. Elsie Schroeder of Newton, Mo., and a granddaughter, Nancy.

The funeral service was held at 1:30 p. m. Tuesday at the Strang Funeral Home with the Rev. Howard Benson of the Methodist church and the Masonic lodge in charge. Interment was private.

The Antioch library was closed all day Tuesday, and the Antioch Grade School was closed Tuesday afternoon on the day of the funeral.

Legion Honors Carpentier

Secretary of State Charles F. Carpentier has been named a general member of the national distinguished guests committee of the American Legion. His term will run until the 1954 fall meeting of the Legion's national executive committee.

Secretary Carpentier received word of his appointment in a letter from Arthur J. Connell, the Legion's national commander.

Christmas Rush Gets Under Way; Gift Buying Brisk

Social Events Are Planned, Church Services Take Lead Interest

There is the rush to buy gifts and prepare for the arrival of Santa Claus next Thursday night.

There is the rush of holiday parties and other social events.

There is the preparation for religious services, many of which on Sunday will be devoted to the Christmas theme, and thereafter leading up to Christmas Day itself.

The commercial aspects of the picture are favorable in Antioch and merchants are doing a good business, with the rush expected Saturday. The public in general has as much and perhaps more to spend this year than last year.

This was evidenced by the fact that Antioch banks paid out from 20 to 25 per cent more in Christmas savings this year than in 1952.

William Brook of the State Bank of Antioch said his bank paid out \$23,512.25 this year in contrast to \$19,037.25, a difference of \$4,475.

E. J. Sletten, interviewed at his home, said that while he did not have figures available, he estimated the amount paid out by his bank was 25 per cent more than last year when the amount was \$12,500.

Much of this money is pouring into the coffers of Antioch stores where people are finding good stocks to choose from.

Many organizations are having Christmas parties, some of them being annual events. As usual, the children occupy the center of the stage.

American Legion Aims For 200 Membership; Home Officers Chosen

With 155 paid up members already on the roll, there was indication that the Antioch American Legion post No. 748 will reach its goal of 200 this year.

Under the assistance of Senior Vice Commander Daniel Lightsey, who is serving as membership chairman, the campaign for members already is 50 ahead of the same period last year.

New members will be initiated this evening at the Legion hall, and plans are being made for celebration of past commanders night, Thursday, Jan. 7.

At the last meeting of the post \$100 was ordered paid to the \$300 pledge for the Victory Memorial hospital fund, and the rest will be paid in \$100 yearly installments.

Cmdr. Harry A. Mizock appointed Elmer Eberman Boys' State chairman; Loren Sexauer, school medal awards chairman; and W. V. Lahti, publicity chairman.

Directors for American Legion Home, Inc., were elected at that meeting as follows:

For three-year terms, Harry A. Mizock, Daniel Lightsey, and John W. Moran; for three years, F. A. Swenson, John L. Horan, and Paul Erickson; while those with one year yet to serve are William E. Brook, Edward J. Frazier, and Benjamin F. Miller.

F. A. Swenson was re-elected president, and John L. Horan re-elected secretary in Monday night's meeting. Edward Frazier was elected treasurer.

Burglars Enter Hunter Garage Wednesday Eve.

Thieves who knew exactly what they wanted entered the Hunter Garage, route 173, Antioch, through a back window and took 123 junk batteries.

Elmer Hunter, owner of the garage, said today that the batteries have a market value of about \$1.75 each, and that he was surprised that nothing else was touched. The batteries weighed about 5000 pounds and were carried through the garage and handed out a back window.

Hunter said that sheriff's police had inspected the tire tracks and other evidence at the garage and had told him they had confidence that the thieves would be caught.

After above normal temperatures persisted over many weeks in Antioch, a cold wave came down from the north Tuesday night and by last night below zero temperatures were recorded.

Flagrant Abuses

It is inevitable that emotional considerations should enter into discussions of what the government's policy should be in providing veterans with hospitalization and medical care without charge. Americans are a warmhearted people, and they want to do all they can for those who served their country in war.

At the same time, it would be destructive of the true interests of all concerned to try to avoid the fact that there is a problem here, and a serious one. That problem is what to do in the case of veterans whose disabilities are not service-connected, and who are able to pay for medical attention.

America's magazine of the Jesuit order, recently devoted an editorial to this. It pointed out that medical authorities fear that socialized medicine may enter this country "through the back door of the Veterans' Administration." Then it said: Present veteran population is about 20,000,000 and growing at the rate of 1,000,000 a year. More than \$500,000,000 was spent on veterans' medical care last year, of which only \$178,000,000 went for the care of service-connected disabilities. Besides all this there is another big objection to the present law. The General Accounting Office, checking a test sample of 350 patients recently discharged from VA hospitals, found incomes ranging from \$4,000 to \$50,000. Twenty-five of these veterans had real property and other assets of from \$20,000 to \$500,000. Yet all had presumably sworn that they were unable to defray expenses."

In fairness to the veteran whose ills stemmed from his service, to say nothing of the taxpayers, such flagrant abuses should be stopped.

Distance Was a Foe

The pioneers who explored and developed this continent were forced to wage a constant fight against many foes—ranging from Indians to deserts and mountains. And one of those foes was distance.

In the early days the very size of the continent blocked the growth and development of our young nation. There was no way to obtain, in adequate quantity, the multitude of things that civilization required—nor was there any way to take out to the markets of the East the untouched riches and resources that existed in the lands, forests and mines of the Far West. Horses and mules and wagon trains performed yeoman service. The vast new empire never could have been opened without them. But their capabilities were limited.

Finally the problem of distance was overcome, and the instrument that overcame it was the railroad. The first trains would seem mighty primitive to us now—but they were miracles then. The tracks were

laid across the wilderness, and in their wake cities and towns and farms flourished. Goods and people could move quickly, economically, and in great numbers and quantities. The West was won—and the Iron Horse made that victory possible.

Today, as in that far-off past, the railroads are the only form of transportation that can and do haul anything, for anybody, in any quantity, anywhere, and in any season of the year.

"Independence and Courage"

Coal, due to a very rapid increase in labor and other operating costs, faces a difficult competitive problem.

But a high authority who refuses to take a pessimistic view of coal's future is Secretary of the Interior McKay. He attended the recent annual convention of the National Coal Association and made a talk in which he said: "For an industry which has been variously described as 'sick' or 'dying' this convention and the exhibits I have examined indicate coal is certainly in no immediate danger of closing up shop."

"Indeed the history of the industry, is a history of courage against tremendous odds. And while the going is rough today it can be hoped that the industry will eventually find economic stability and, as it has done before, through its own efforts."

"One thing that has impressed me is the independence and courage which typifies the American coal producer."

Coal is determined to work out its problems and keep and expand its markets by giving all types of consumers the best possible product at a fair price. That isn't easy. But coal has known hard times before, and has survived with flying colors. All who know the industry's history, and who understand coal's importance to our national well-being, are convinced that will happen again.

The Local Paper Leads

In the comparatively recent past, the local newspaper was about the only place where merchants could advertise their wares. Since then, other important media have come into existence—notably the radio and television. But, despite the inroads these have made on retailers' advertising budgets, the newspaper is still the dominant factor in the field by a wide margin.

That statement is substantiated by a recent survey of the advertising practices of department stores in all sections of the country. It found that the typical store allocated 80 per cent of the advertising dollar to newspapers, nine per cent to television, four per cent to radio, three per cent to direct mail, and four per cent to other media.

The local newspaper offers the surest means of reaching the masses of the people—whether with a news story or an editorial opinion or an advertising message. And that's why merchants place it first when dividing up their advertising appropriations.

Incidentally, one wonders if there are still people who regard advertising as a waste which add unnecessarily to the cost of goods. Actually advertising acts as a possible factor in holding prices down by creating the widest possible demand for merchandise, and thus making mass production and mass distribution possible.

snow, resulting in icy streets. Be careful. Walk carefully. Again a fall could end disastrously.

Conviviality and party-going are a part of Christmas. If you're driving an automobile, better forget that last "one for the road." Remember that it may be not only your last but also the last for the loved ones with you.

There is something about the Christmas holidays that set them apart from all other holidays of the year. Make them happy by keeping well and free from accidents. Use commonsense in what you do, and remember that, regardless of your creed, spiritual reflection is good for everyone.

Meaning of Holidays

What do the approaching holidays mean to you? Do they mean more than just the spirit of giving? While this attitude is essential to the Christmas theme—that of good will to one's fellow man—there is more to it than just giving. There is also that deep need for spiritual kindness, regardless of race or creed, and careful attention to one's health, the Educational Committee of the Illinois State Medical Society observes in "Health Talk."

This year, for the first time in many, there is peace on earth. No one will deny the depth and sincerity of the axiomatic Christmas wish of "Peace on Earth, Good Will Toward Men." This wish does not apply necessarily to warfare among nations, but to a peace within one's self, one's family and one's associates.

While there is pleasure in giving and satisfaction in receiving, true happiness does not stem from material things alone. The state of one's health is important, mentally and physically.

How well will you be during the holidays? Will you be worn out with the fatigue which, unfortunately, for some persons, is associated with the hurry and bustle of holiday preparations? Are you going to be so tired that you won't enjoy the festivities which characteristic-

ally mark the Christmas and New Year holidays?

Careful planning will do much to obviate fatigue and accidents. Doing too much and crowding one more activity into an already heavy schedule will lower your body resistance, making you susceptible to the bacteria constantly waiting to attack your weakened state. Even with the modern advances in medicine, made strong by new and potent drugs, the siege of illness will mar your holiday.

And how about the children on your list for Christmas? Are you being wise in the selection of toys for their enjoyment? Toys, for example, with sharp, pointed edges have been instruments of tragic accidents in young exploring hands.

Beads, used commonly for trimming on dolls and toy animals, and even clothing, are soon pulled loose by tiny eager hands, only to be poked into an ear, or nostril. They may be swallowed. What price attractiveness and joy in giving if the result is tragedy?

Remember that most accidents are preventable, particularly so if attention is paid to safety. How about the wiring for your Christmas tree lights? Has it been checked carefully? By doing this you may prevent a fire. And that rickety stepladder used in trimming the tree? Was it repaired or replaced? Falls usually result in broken bones and why take a chance?

Here in Illinois Christmas time is usually marked with cold and

SOCIETY EVENTS

Legion Auxiliary Hears Talk of Heart Assoc.

The American Heart association was explained to members of the Antioch unit, American Legion Auxiliary last Friday evening by Dr. Nellis, county head of the organization.

Six members of the Auxiliary spent a week ago Wednesday at Downey hospital helping wrap "gifts for Yanks." They were Louise Erickson, Myra Randall, Agnes Hills, Ellen Swenson, Mary Ellis and Clare Horton.

Five members went to the hospital and helped wrap Christmas gifts for mailing for the veterans. A potluck luncheon was served at noon for them and about 25 other workers from various units in the district.

There will be a party and dance at Downey from 7 to 10 p. m. Tuesday, Dec. 29 and members of the Antioch unit will help. They will appreciate having anyone who cares to go to help entertain the patients in the hospital.

There will be no meeting on Dec. 25, the regular meeting night, but on Jan. 8, a speaker will be present to talk on legislation.

High School Staff Enjoys Christmas Party Wed. Night

A Christmas party held at Smart's Country House Wednesday evening was attended by all personnel of the high school. Guests included all faculty members and their wives, employees and their wives, and members of the board of education and their wives.

Following the dinner Christmas carols were sung and short talks were given by Board of Education President Fred Scott and Principal Albert L. Dittman.

Committee in charge of the affair was Miss May Hartley, Miss Mary Donovan, Donald Chiapetta and Robert Willrett.

Spanish Class Students To Eat Mexican Supper

Spanish class students at Antioch Township High school will have a party at the school this evening after classes.

A Mexican supper will be served at which tacos will be the principal dish. Spanish games will be played and carols will be sung.

One of the Spanish customs, breaking of the Pinata, will be played.

Miss Carol Bean is the Spanish Club adviser.

Latin Club To Have Saturnalia Party

Saturnalia, a Roman holiday that has much of the features of Christmas so far as good will and the giving of gifts, became the theme of the Latin club for a party this evening at the Antioch Township High school. The club has 51 members.

Christmas carols will be sung in Latin and Lillian McNeal will give an explanation of Saturnalia.

There will be games and refreshments.

Miss Theresa Wehr is sponsor of the club.

O. E. S. PAST MATRONS HOLD CHRISTMAS PARTY

Members of Antioch Chapter Order of Eastern Star Past Matrons' club are holding their annual Christmas party this (Thursday) evening at the home of Mrs. Elmer Hunter. Cards will be played during the evening. There will be a gift exchange and refreshments will be served.

Parents of Daughter

Mr. and Mrs. Loren D. Sexauer, Jr., of Park Ridge, are the parents of a daughter, "Susan," born Dec. 13 at the West Suburban hospital. Susan is the grand-daughter of Mr. and Mrs. Loren D. Sexauer, Sr., of Antioch.

SANG AT OLD FOLKS HOME SUNDAY

Fourteen members of the Antioch Methodist church choir and their director, Charles B. Watson, presented a program in song at the Methodist Old People's Home in Chicago Sunday afternoon.

Mr. and Mrs. S. B. Nelson and son Harold returned home Sunday after spending a week with relatives in Springfield, St. Louis, Gorman and Canton.

Mr. and Mrs. Nathan Beiser of Lake Villa entertained the Henry Atwell and Fred Nielsen families at a party Sunday in honor of their son, Rickie's first birthday.

School Contract Deferred

On complaint of some of the bidders that the specifications for the new addition to the Channel Lake grade school were not clear, the board continued to hold up the letting of the contract Monday evening until the specifications are clarified by the architect. There were two bidders.

Open House Tomorrow At Home Bureau Office

The Lake County Home Bureau executive board has issued an invitation to all homemakers and others interested in the county to an "Open House" at the new county office at 355 North Milwaukee ave., Libertyville.

The housing committee consisting of: Mrs. Alfred Clark, chairman, Mrs. Herman Stiehr, Mrs. Lewis Mills, and Mrs. Frank Hoeller, and the county board, and the office staff will be present to welcome all visitors. Open House hours are today, from 1:00-5:00 p. m. Friday, Dec. 18, from 1-5 and from 7-9 p. m.

The Home Bureau office is the headquarters for the University of Illinois Extension Service in Home Economics. An educational program in home economics for adults and 4-H club girls, under the supervision of the County Home Adviser, Mrs. Helen Volk, and Assistant Home Adviser, Miss Anita Stahl, is carried on from this office.

A. T. H. S. Combined Chorus to Sing the "Hallelujah Chorus"

Those who attend the Antioch Township High School "Christmas gift to the community" concert this Sunday afternoon at 4 o'clock are in for an extra special treat when the combined chorus climax the program by the singing of the "Hallelujah Chorus" from Handel's "Messiah." The "Messiah" is recognized as some of the greatest choral music ever written. The entire oratorio was composed by Handel in 1741 in three weeks time. Reports are that in those three weeks Handel was in almost a kind of trance; that he ate and slept very little.

The "Hallelujah chorus" is considered the apex of the whole oratorio. So impressed was King Edward when he first heard the "Hallelujah Chorus" that he rose to his feet during the singing of it, thus setting the custom which is followed today.

SALEM

The Methodist Sunday School teachers held their annual Christmas party at the church Monday evening. Gifts were exchanged and a lovely lunch was served by the committee, Kathryn Rathe, Arthur Bushing and Jerry Baysinger. Velma and Verna Hope of Libertyville spent Sunday with their aunt, Miss Olive M. Hope.

Mr. and Mrs. David Elfers spent Sunday evening at the home of their daughter, Mrs. Herbert Hein of Kenosha, the occasion being Deanna Hein's fourth birthday. Other guests were Mr. and Mrs. Elmer Fleming and family of Burlington, and Mr. and Mrs. H. Hein of Kenosha.

Mrs. Byron Patrick and Mrs. Nellie Head were Milwaukee shoppers Tuesday.

The Royal Neighbors met at the home of Mrs. Hazel Stockwell on Thursday night. Election of officers was held and a Christmas party was enjoyed after the meeting. Those present were Mrs. Roger Huntton, Mrs. George Belmer, Mrs. Arthur Feldkamp, Mrs. Minor Hartnell, Mrs. Byron Patrick, Mrs. Andrew Nelson, Mrs. William Galliard, Mrs. Herman Schultz, Mrs. Harry Olson, Miss Annie Semeler, Mrs. Laura Miller, Mrs. Hazel Stockwell, Mrs. Hattie Burrill.

V.R.W. Post, Auxiliary Plan Children's Party, Also Potluck Supper

The Veterans of Foreign Wars and Auxiliary will hold their annual children's Christmas party in the Parish hall of St. Ignatius church at 7:30 p. m. Monday, Dec. 21.

Santa will be present with gifts and candy for the children and games will be played and carols will be sung. Refreshments will be served.

Pearl Anderson is chairman of the committee in charge which comprises Myra Randall, Lydia Edwards, Lillian and Helen Burnette, Virgil Burnette and Tony Sciacero.

The Auxiliary held its Christmas exchange party at its recent meeting. Refreshments were served by a committee comprising Ann Nelson, Mrs. Cecile Blumenschein, Mrs. Tony Sciacero.

A potluck supper is being planned for January 25 for members of the post and Auxiliary and their families. Helen Burnette is chairman of the committee in charge.

Gifts and Christmas cards donated by the V.F.W. post and the Auxiliary have been distributed to veterans in the Lake County Tuberculosis Sanatorium in Waukegan and at the Veterans Administration hospital at Downey. Money to aid the patients in buying gifts also was contributed.

Knights Templar Funds Available to Students For Educational Loans

Putting dollars to work for the youth of the country is the goal of the Knights Templar of the State of Illinois.

This organization now has in its educational foundation more than \$400,000 available for loans to deserving students who need financial help in completing their college education.

Loans are granted to students who are residents of Illinois, regardless of sex, color or religion, who are in their junior or senior year at an accredited college or university and have maintained passing grades. Loans also are available for certain types of vocational training, such as nursing, and for professional training, advanced degrees and post graduate work.

The maximum is \$800 for one scholastic year and \$500 for each of the last two years when three or four years are required to complete the course.

No repayment is required or interest charged while the student is in school or college. The repayment begins 90 days after the date of graduation or leaving the school or college for any other reason. Interest is charged from the date of graduation or withdrawal from school.

Members of any Knights Templar Commandery in the state will assist in making applications for loans. Direct application may be made to Knights Templar Educational Foundation, Room 1603, 53 Jackson Blvd., Chicago 4, Ill.

Salvation Army Appeal At Lake Villa Received

Lake Villa—Raymond Bartlett, the chairman of the local Salvation Army Service Unit, announced today that a fairly good return has been received from the appeal letters which were mailed by the committee recently. Mr. Bartlett said

that a number of contributors have not been heard from as yet, and urges everyone to turn in his contribution to the treasurer, Mrs. Fred Bartlett, as soon as possible.

A representative of the Salvation Army Service Unit department will be in Lake Villa in the near future to confer with the local committee, and to finalize the campaign.

Long Distance Lines will be busy this Christmas!

"Avoid the rush—call before Christmas Eve
or after Christmas Day!"

"Remember, reduced Long Distance rates are in effect
Saturday after six p.m. and all day Sunday!"

"Another tip for faster service—
call by number when you can!"

"We're just three of thousands of telephone operators who'll be on the Long Distance
switchboards Christmas Day.

"But even with every switchboard in service, there'll be such a flood of calls we
won't be able to take care of them all at once. There are bound to be some delays.

"Of course, we'll do our best to put each call through. We know how much it
means to friends and relatives who can't be together during the holidays—and to
service men and women who are far from home.

"To avoid the rush—and get faster service on your Long Distance calls—we
suggest you make them before Christmas Eve or after Christmas Day.

"And all of us at the telephone company wish you a very Merry Christmas."

Engineered for Economy!**

**Come see the most beautiful, most powerful Chevrolet
ever built... the new car that combines great new performance
with money-saving gas mileage!**

In every way, Chevrolet now brings you even more of the things you want.

More beauty with brilliant new styling in Body by Fisher and bright new color harmonies outside and inside the car.

More power and finer performance with new high-compression engine power in all models.

More comforts and conveniences, including luxurious and colorful new interiors, Powerglide for all models and such great new features as Power Brakes

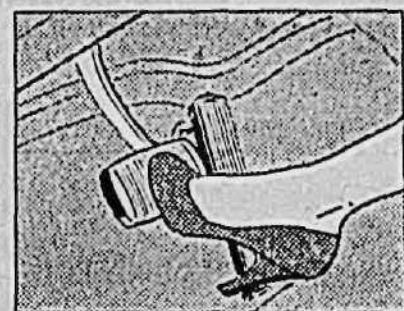

and Automatic, Electric Window and Seat Controls.

And, thanks to advanced Chevrolet engineering, all this with new economy, too.

The fact is, you'll find that no other car offers so many things you want at such low cost. That means the low first cost of the lowest-priced line in its field. And it means money-saving economy of operation and upkeep, as well.

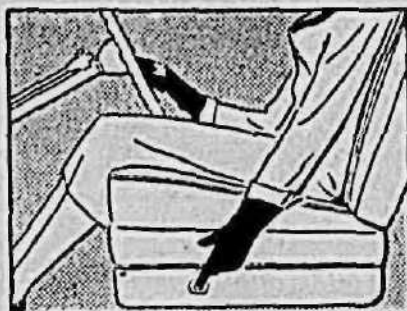

Stop in and take a good look at the best-looking Chevrolet you ever saw!

First in the Low-Price Field
with POWER BRAKES, AUTOMATIC WINDOW and SEAT CONTROLS

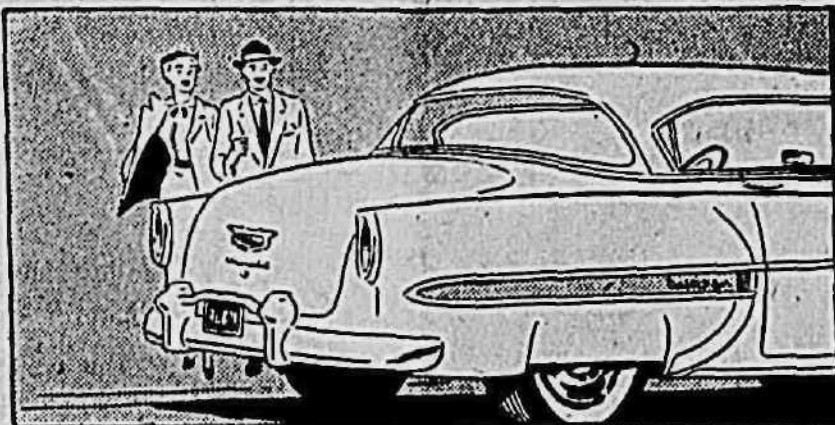

**Power brakes
for easier stops**

Now Chevrolet brings you a great new advance in driving ease—Power Brakes. Stopping is wonderfully easy and convenient. Optional on Powerglide models at extra cost.

**New, automatic window
and seat controls**

Now, at the touch of a button the front seat and windows are electrically adjusted to suit your liking. Optional on Bel Air and "Two-Ten" models at extra cost.

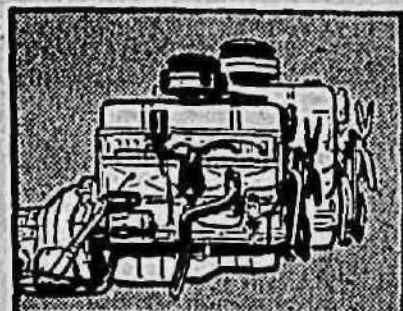

**New styling that will
stay new**

There's a new, lower, smarter look about this new Chevrolet. Front, rear and all around the car, you'll see new styling that brings you Fisher Body at its beautiful best.

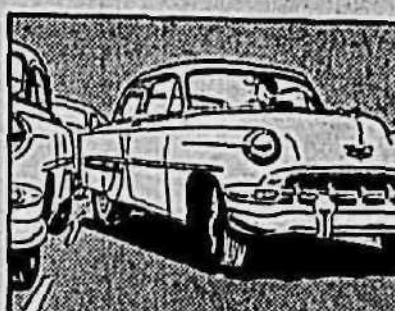

**New interior
richness**

Fine new upholstery fabrics with a more liberal use of beautiful, durable vinyl trim. New color treatments in harmony with the brilliant new exterior colors.

**Thrifty new power in
all models**

Now, in Powerglide models, you get the more powerful "Blue-Flame 125" engine—in gearshift models the more powerful "Blue-Flame 115."

**New, lower price on
power steering**

Chevrolet Power Steering reduced in price! It does 80% of the work to give you easy, sure control. Optional at extra cost on all models.

More things more people want, that's why
**MORE PEOPLE BUY CHEVROLETS
THAN ANY OTHER CAR!**

COUNTY OF LAKE

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of Lake Villa, Lake County, Illinois, that a public hearing will be held on January 4, 1954, at the hour of 1:30 P. M., in the Village Hall, Lake Villa, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the R-4 Residential District, to the B-1 Business District, the following described real estate, to-wit:

PARCEL 1: Lots 1 to 22 inclusive in Block 138 in Venetian Village Unit No. 12, being a subdivision of Government Lots 1 and 2 of the Northeast quarter and the Northwest quarter of Section 2, Twp. 45 N., R. 10, East of the 3rd P. M., in Lake County, Illinois, according to the plat thereof recorded July 9, 1953 as Document No. 795740 in Book 32 of Plats, pages 68 and 69.

And from the R-4 Residential District, to the B-2 Business District, or its alternative, to the B-1 Business District, and for the use, purposes and the B-1 Business District, the following described real estate, to-wit:

PARCEL 2: That part of Government Lot 1 in the Northwest quarter of Section 2, Twp. 45 N., R. 10, East of the 3rd P. M., and also that part of Venetian Village, a subdivision of parts of the said Section 2 and also Section 11, Township and Range aforesaid, according to the plat thereof recorded in the Recorder's Office of Lake County, Illinois, in Book "V" of Plats, on pages 26 to 31, described as follows, to-wit: Commencing at the point of intersection of the East line of the Northwest quarter of Section 2 aforesaid, with the center line of Grand Avenue as it now exists and running thence Northwest, along the said center line of Grand Avenue, 411.43 feet to a point on the said center line, which is the place of beginning; thence Southwesterly along a line (hereinafter referred to as the 1st course) making a deflection angle to the left from the last line at the place of beginning of 65 degrees 30 minutes, distance of 382.0 feet to a point; thence Southerly along a line (hereinafter referred to as the 2nd course) making a deflection angle to the left from the first course of degrees 27 minutes 30 seconds, distance of 309.9 feet to a point; thence Southwest along the 3rd course, 40 feet, more or less, to a point in the Southerly line of Lot 6, Block 4 in Venetian Village aforesaid which is 70 feet West of the angle shown therein on the plat of the record, said point also being the Northwest corner of Lot 1 in the Williamson's Resubdivision of Lots 7 to 12, both inclusive, in Block 5 in Venetian Village, according to the plat of the said subdivision recorded in the Recorder's Office of Lake County, Illinois, in Book "V" of Plats, on page 90; thence Easterly and Southeasterly, along the said South line of Lot 6, Block 4 in Venetian Village to the Southeast corner thereof; thence Southerly along the Easterly line of Lots 6, 5, 4, 3, 2, and 1 in Block aforesaid, being the Westerly line of Granada Boulevard, to the

Northeasterly corner of Lot 1, Block 4, continuing thence Northwesterly along the Northerly extension of the Easterly line of Lot 1, to the point of intersection of the said Easterly line with the center line of Grand Avenue as it now exists; thence Northwesterly along the said center line to the place of beginning in Lake County, Illinois, excepting therefrom the public highway, but including also all that part of Sand Lake, (so called), and its adjacent shore line bounded on the Northerly side by the Southwesterly extension of the first course as above described, on the South by a line parallel to and 607 feet North of the South line of the Southeast quarter of the Northwest quarter of Section 2 aforesaid, and on the Easterly side by the 2nd and 3rd courses above described, all in Lake County, Illinois.

And from the R-4 Residential District, to the I-1 Light Industrial

District, or, in the alternative, to the B-1 Business District, and the uses permitted in said B-1 Business District, the following described real estate, to-wit:

PARCEL 3: That part of the Northwest quarter of Section 2, Twp. 45 N., R. 10, East of the 3rd P. M., described as follows, to-wit: Commencing at a point on the center line of Grand Avenue as it now exists, which is 745.4 feet Westerly (measured along the said center line) from the point of intersection of the said center line with the East line of the Northwest quarter of said Section 2; thence Northwesterly, at right angles to the said center line of Grand Avenue, 225 feet to a point; thence Southeasterly parallel to the center line of Grand Avenue, 155 feet to a point; thence Northeasterly at right angles to the last described line, 225 feet to a point; thence Northwesterly at right

angles to the last described line, 155 feet to a point 268.81 feet West of the East line of the Northwest quarter aforesaid; thence North parallel to the East line of the Northwest quarter and 268.81 feet West thereof, a distance of 370 feet to a point; thence Northwesterly along a line parallel to that part of the center line of Grand Avenue first described and making a deflection angle to the left of 49 degrees 06 minutes 10 seconds from the last described line, a distance of 193 feet to a point; thence Southwesterly at right angles to the last described line, 180 feet to a point; thence Northwesterly at right angles to the last described line, 520 feet to a point; thence Southwesterly at right angles to the last described line, 512 feet more or less to a point on the center line of Grand Avenue, being a curved line, concave Northeasterly of 9549.34

feet radius; thence Southeasterly, along said curved center line and the tangent thereto, (said tangent being the center line of Grand Avenue first referred to), a distance of 955 feet, more or less, to the place of beginning, in Lake County, Illinois.

As a result of the petition of THE FIRST NATIONAL BANK OF LAKE FOREST, AS TRUSTEE under Trust No. 989, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS

Earl H. Kane, Chairman.
Dated at Waukegan, Illinois, this 17th day of December, 1953.

Child's Fear

Your child's fear of the dark may vanish if you paint a miniature candle with luminescent paint on his bedside lamp. That will remind him the light is there when he wants to use it.

Saving Lemons

To prevent lemons becoming withered and hard, put in a fruit jar, fill with cold water, screw top on tightly, and they will keep for weeks.

The Christian Science Reading Room in your community is maintained in simple gratitude by your Christian Science neighbors.

It stands as an outward sign of their appreciation of benefits received through Christian Science—benefits equally available for you.

Release from disease, from fear and limitation, has come for multitudes as they have quietly pondered the Bible teachings in this great new light.

You are welcome at the public Reading Room near you. Here the Bible and the Christian Science textbook

SCIENCE AND HEALTH with Key to the Scriptures by Mary Baker Eddy

may be read, borrowed, or purchased. You may here investigate for yourself its healing message.

LAKE VILLA

The Sunday School of the Lake Villa Community church will present its annual Christmas program and party at the church on Sunday, Dec. 20, at 7:30 p. m., and following the program, there will be a social time in the dining room of the church and refreshments. Everyone is welcome.

Mrs. Delbert Sherwood entertained the Lake County Home Bureau at its December meeting at her home on Monday. Mrs. Sherwood is vice president of the county board.

An error in the account of the W. S. C. S. meeting was made in last week's issue and should read that Mrs. Plummer and Mrs. John Perry conducted the devotional period at the meeting this week instead of Mrs. Glenn McNeill. The ladies brought gifts for the Lake Bluff orphanage instead of the usual exchange of gifts.

C. P. O. Jos. Botts of the U. S. Navy who has just returned from many months aboard ship and in Japan and Korea, arrived here last week to visit his wife and son Danny who lived with her parents, Mr. and Mrs. Leo Barnstable during his absence. He visited his relatives in McHenry county and he, his wife and son left Thursday, Dec. 17 to drive back to California, where he will report for duty early in January.

Mr. and Mrs. Arthur Olson are

receiving congratulations on the birth of their first grandson, born to their son, Arthur, Jr., and wife late last week.

The kindergarten started last week proves to be very popular with the little folks.

Mrs. Windsor Dalgard was a Chicago shopper on Tuesday last week.

Mr. and Mrs. W. Braun and daughters who have been living in the former Ekdahl house on Grand avenue have moved to the Deep Lake area and Robert Pedersen who had purchased the place has resold it to Mr. and Mrs. Kenneth McCord of Brodhead, Wis., who have already begun extensive alterations.

Cedar Lake Camp Royal Neighbors held its regular meeting at the village hall on Tuesday evening, Dec. 8, after a pot luck dinner at 7 p. m. Election of officers was held and the following women will hold office for 1954: Oracle, Matilda Bartlett; past oracle, Georgia Avery; vice oracle, Geri Polson; chancellor, Ethel Wood; recorder, Helen Fish; receiver, Cora Hamlin; marshal, Mabelle Selter; inner and outer sentinels, Mary Davis and Anna Fink; manager for three years, Bertha Fish. Other officers will be appointed. A Christmas party with exchange of gifts concluded the evening.

Mrs. Hilda Nader entertained the ladies of the Pinochle club at her home on Tuesday afternoon last week.

Mrs. Mabel Holst who has been the guest of her sister, Mrs. Beatie Boyer at Buena Park for a few days, returned to her home in Chicago last Saturday.

Mrs. P. R. Avery, Sr., and Mrs. Cora Hamlin, Mrs. Al Boehm, Mrs. Lulu Nelson and Mrs. Cora Hamlin were luncheon guests of Mrs. Albert Kapple at her home on Cedar avenue last Thursday afternoon and had exchange of gifts during the afternoon.

Gene Nickerson of Chicago spent

Saturday night and Sunday with the Russell Nickerson family. Mrs. Eva Wolff who spent the past three weeks as a surgical patient in Victory Memorial hospital, is recovering nicely at her home at Sand Lake.

Toy Pianos or Guns Joy or Depression, Christmas Musings

From an old subscriber comes a Christmas anecdote that may interest our readers. Mr. Adolph Gill writes:

"In the year 1941 I had a Christmas holiday job in the Fair store, Chicago, as a clerk in the musical toy department. My stock consisted mostly of toy pianos, made in Japan.

"After Pearl Harbor Dec. 7, 1941 the toy pianos were immediately taken from sale and placed in storage. I was then transferred to toy guns, a most depressing change of atmosphere.

"In musical toys the customers were of a happy disposition, especially the children, whose bright eyes and smiling faces helped to make selling a pleasure.

"At the toy gun counter the reaction in the children was depressing. My observation is described in 'The Toy Gun Counter' enclosed. Twelve years have passed, where are most of these children today?

The Toy Gun Counter
The Fair, Chicago, 1941
Sonny and mamma were shopping. Looking for Christmas toys, Roaming around the counters, Little Sonny was one of many little boys.

Machine guns, paratroopers, Anti-aircraft on display, Toys for young Americans For presents on Christmas day.

Approaching the gun filled counter, Little Sonny come on the run "Mamma, I want this," he cries, Reaches up and seizes a gun.

With eager hands
Legs apart, in a crouch he stands,
Sighting, eyes aglare,
Lips in a snarl, the teeth are bare.
The child is gone,
A little devil stands there.
Mamma looks on, seems not to see,
The change that took place
In her young progeny.

She smiles at the clerk,
Asks the price of the gun,
And says that she hopes
He will have lots of fun.

The clerk takes the gun and puts it away.
The child protested.
You hear mamma say,
"You can't have it now, because
We must go over there,
And see Santa Claus."

Standing before old Santa
Little Sonny looked up and smiled.
The face then reflected
The soul of a child.

Adolph Gill.

ALIENS REQUIRED TO REPORT ADDRESS TO IMMIGRATION SERVICE

Marcus T. Neely, District Director of Immigration and Naturalization at Chicago today called to the attention of all aliens the requirement of the Immigration and Nationality Act that every alien in the United States report his address to the government during the month of January. The report must be made on Form I-53, which may be obtained from any United States Post Office or from any Immigration office. The requirement applies to all aliens who are in the United States on January 1st and to aliens who reside in the United States and may be temporarily absent during January. Persons in the latter group must report their address within ten days after return to the United States. The address of minor children aliens must be reported by their parents or guardians.

Neely warned that failure to comply with the address reporting requirements of the Act carries severe penalties. Aliens failing to comply subject themselves to fine, imprisonment and deportation. Neely urges all aliens to comply and all organizations having alien members to publicize the requirement, also all organizations who assist aliens to urge compliance.

Hayes Enters G. O. P. Race for U. S. Senator

Springfield, Ill.—(Special) Edward A. Hayes, Chicago, former National Commander of the American Legion, has announced his candidacy for the Republican nomination for United States Senator in the April 1954 primary. Republican leaders throughout Illinois acclaim Hayes' candidacy because he is expected to conduct an aggressive and forthright campaign which should lead the Illinois Republican ticket to victory.

As a veteran of World Wars I and II and an orator of nationwide reputation, as well as special counsel for a Senate Judiciary subcommittee in Washington, Hayes has a wide knowledge of national and international affairs.

Hayes believes an outstanding issue in the 1954 campaign is the safeguarding of the American Republic against Liberals and misguided intellectuals embracing subversive philosophies. As an example he cited the Harry Dexter White scandal, the Alger Hiss case, and the spy disclosures substantiated by FBI Director J. Edgar Hoover.

Target Practice
In Birmingham, Ala., Mrs. Louise Bishop was fined \$25 for tacking a picture of her husband to the wall, firing some 70 times at it with a .22 rifle.

Too Bright Sun
Excessive exposure to bright sunlight reduces resistance to glare for as much as 36 hours and may be an important factor in night automobile accidents.

SPINNEY RUN AYRSHIRE COMPLETES RECORD

Spinney Run Maimie, a four-year-old registered Ayrshire in the herd of Spinney Run Farm at Libertyville has completed an actual production record of 10,398 pounds of 4.3 per cent milk and 439 pounds of butterfat in 305 days on a strictly twice-a-day milking schedule.

According to Chester C. Putney, Executive Secretary of the Ayrshire Breeders' Association, this record is equal to 11,061 pounds of milk and 467 pounds of butterfat when figured to a Mature Equivalent basis. The record was made in accordance with the rules of the Ayrshire Herd Test Plan.

The Ayrshire Breeders' Association Herd Test Program is recognized and used by Ayrshire dairymen from coast to coast. Monthly production tests are made and supervised in cooperation with the Extension Services of the State Agricultural Colleges.

should Richmond team threaten, but his teammates carried on so well that Coach Warren Polley, taking the reins in the absence of Coach Scott, used all other members of the squad before the game was over.

Larry Lass and Ben Floyd topped the Antioch scoring with 10 points each.

In the preliminary the Richmond J.V.'s won from the Antioch J.V.'s 44 to 38.

Wauconda, the only team to defeat Antioch so far, won from Zion in a fourth quarter rally Tuesday evening 38-33. It marked the return of Bob Heert to the game for Wauconda. Heert was unable to start basketball at the beginning of the season because of a football injury. His playing has upped the stock of the Wauconda team which is eyeing the championship.

Creaming Butter
When creaming butter and sugar for a cake or cookie mixture, a teaspoon or so of hot milk added to these ingredients speeds the creaming process.
